DRB Minutes: 09/04/2019

Present:

Jay Gonyaw
John
Agathe
Denise
Dan

Others present:

Jessica Booth – Newport City Rec Department
Pam Ladds – Newport Resident
Michael Welch – NCIC
Ed Barber

John called meeting to order and reads the public hearing

First item on the agenda was City of Newport Rec Department to construct a ¼ mile multi use path through Prouty beach. Jessica described the project as well as the funding for the project.

Jessica described the reason to put the path in the flood plan was so it would not interfere with the use of the pavilion.

John asked about engineering. Horizon Engineers will be doing the site plan and elevations through the flood zone and elevations. Jessica indicated they will be following VTRANS biking path guidelines.

Due to the lack of an official site plan showing final grade and layout, signed by the person that drew the layout, the plan cannot go any further. John indicated to take \$708.02 and make sure everything is complete. John asked about storm water. Jessica indicated that the State indicated, due the size, they are under the threshold for both sections of stormwater. John indicated that a letter from the public works director was needed.

Agathe makes a motion to table, Dan seconds it and unanimous to table for September 11th.

OTHER BUSINESS

No other business.

John made motion to adjourn and Jay 2nd.

Unanimous vote of yes and meeting was adjourned.
