Proposed for Council Approval

Memorandum of Understanding Between Newport Downtown Development and the City of Newport December 16, 2024

Newport Downtown Development (NDD) agrees to manage a collaborative process with the Mayor and Council of the City of Newport in order to prepare the City to submit an application for a TIF District and follow through on any necessary tasks to assure its approval by appropriate State entities. The process will include:

- Developing an appropriate contract with White and Burke to be submitted to Mayor and Council for their approval or, if that company is unavailable or unsuitable for any reason, to seek another qualified company with approval by the Mayor and for final contract approval by Council. The expected deliverables for any such contract will be to prepare the TIF application and shepherd its way through the State approval process. (See attachment below for planned, four-step process)
- Carrying out a strong public education campaign to help residents in Newport to fully understand how a TIF proposal works and what its benefits and risks are in preparation for future votes to support the development of public infrastructure in downtown Newport.
- Working closely with Mayor and Council to build relationships with potential developers and to seek initial agreements for Council's review to assure that development projects enumerated in the 2024 Detailed Master Plan can be carried out in a timely fashion beginning as soon as possible following State approval for the TIF plan and community approval for necessary bonds for public infrastructure.
- Working with appropriate funding agencies locally, on the State level, regionally, and on the Federal Level to identify appropriate resources for necessary funding stacks to complete initial projects.
- Providing the Mayor and Council with access to all information obtained in the process of managing the development of the TIF district and developing plans with developers, assuring that the Mayor and Council are fully knowledgeable and prepared to make informed decisions regarding needed action at each step in the process.

Unless renewed, this contract expires at the successful conclusion of TIF approval or on April 1, 2026, whichever comes first.

Throughout the process and at the end of the contract, NDD will share the final work product with the Council along with recommendations to the Council for next steps.

Assumptions:

- NDD has the capacity to manage the administrative responsibilities of this project. NDD will not seek additional financial support from the City of Newport for these administrative functions beyond the \$30,000 that was given in FY 2024/2025 and requested again by NDD for the FY 2025/2026.
- NDD will work with the Mayor and Council to support the City of Newport in seeking appropriate grant funding to cover all direct costs associated with agreed upon contracts for service. In signing this contract, NDD is not assuming responsibility for those contractual expenses.

- NDD understands its role to be that of project manager in support of the City of Newport. NDD will make no substantive decisions in carrying out this effort without consultation with the Mayor and Council.
- NDD's offer to manage this project is possible because of three primary assets:
 - The continuing exemplary work of its Economic Develop Task Force and the Housing Committee, both of which are made up of community leaders in the business, public, and non-profit sectors.
 - The contracted labor provided by Brian Gray, with whom we have signed a contract to help direct NCDD's emerging effort to help shape a proactive economic development strategy for and with Newport (Brian's resume and job description available upon request).
 - NDD's strong Board of Directors that is committed to acting proactively to support the City of Newport in developing our downtown.

Attachment to Memorandum of Understanding between City of Newport and Newport Downtown Development

Expected Four Step Process for Council engagement:

1. Retain White and Burke as advisory to explore and recommend the components of the strongest possible TIF Application.
 - a. Areas to include in TIF District
 - b. Strategy to approach legislature
 - c. Addressing concerns that arise to assure a successful TIF application
2. Seek Council approval to proceed with the TIF application upon completion of a Community Forum and opportunity for the community to offer feedback
3. Final approval to submit the application
4. Final phase – approval to proceed with bond vote based on current understanding of initial projects/developers

Newport City Council Meeting Participation Guidelines

Newport City Council meetings are for the purpose of allowing Council members to conduct City business. Distinct from public hearings or town meetings, City Council meetings are held in public, but are not meetings of the public. City Council meetings are the only time the City Council members have to discuss, deliberate and decide upon City matters. In an effort to conduct orderly and efficient meetings, the Mayor kindly requests your cooperation and compliance with the following guidelines:

1. Please be respectful of each other, Council members, city staff, and the public.
2. Please raise your hand to be recognized by the Mayor. Once recognized, please state your name and address or affiliation.
3. Please address only the Mayor and not members of the public, staff, or presenters.
4. Please abide by any time limits. Time limits will be used to ensure everyone is heard and that there is sufficient time for the Council to complete their agenda within a reasonable timeframe.
5. The Mayor will make a reasonable effort to allow everyone to speak once before speakers address the Council a second time per the limited 2 minute timeline adopted on January 23, 2017.
6. Once public comment has been heard, discussion will be limited to the City Council members.
7. Please do not interrupt or mock other speakers or otherwise exhibit disruptive behavior during the City Council meeting.
8. Please do not repeat the points made by others, except to indicate agreement or disagreement with other views.
9. Please use the hallway for side conversations. It is difficult to hear speaker remarks when side conversations are occurring in the Council Chamber.

10. Presentations to the Council are not open to public comment. However, per the policy adopted on December 21, 2015, matters on the agenda requiring a vote are open to public comment immediately prior to the Council vote.
11. Individuals who do not abide by these procedures will be asked to leave the Council Chamber.
